FOR HISTORICAL RESEARCH PURPOSES

1. I hereby agree to the terms of this agreement as a condition of my access to official Government records. I agree to abide by the regulations for safeguarding classified information issued by the Federal agency to which this application is being made or regulations which otherwise have been made applicable to the conduct of my historical research by the aforesaid Federal agency.

2. I understand that any classified information which I receive affects the national security of the United States. I accept that by being granted access to such information I will be placed in a position of special confidence and trust and become obligated to protect the information from unauthorized disclosure.

3. I agree to safeguard the classified information or material, to which I gain possession or knowledge as a result of my access to files of any Federal agency, in a manner consistent with Executive Order 12065, as amended or superceded.

4. I agree not to divulge in any form or manner any classified information obtained as a result of this access except as specifically authorized in writing by the Federal agency which approved my access, and I further agree that I shall not use the information for purposes other than that set forth in my application.

5. I agree to submit my research notes for review, to determine if classified information is contained therein, prior to their removal from the specific area assigned me for research. I further agree to submit my manuscript for a similar review prior to its publication or presentation. In each of these reviews, I agree to abide by the decisions of the agency concerned to safeguard information in the interests of the national security of the United States, including the retention or deletion of any parts of such notes and manuscript that contain classified information or that reveal intelligence sources or methods.

6. I understand that failure to abide by conditions in this statement will constitute sufficient cause for cancelling my access to classified information and for denying me any future access. I also understand that, if I violate the terms of this agreement, the United States Government may institute a civil proceeding to seek compensatory damages or other appropriate relief. Moreover I am advised that the provisions of Title 18, U.S. Code, "Crimes and Criminal Procedures" and of the "Internal Security Act of 1950", as amended (Title 50, U.S. Code), prescribe, under certain circumstances, criminal penalties for the unauthorized disclosure of information respecting the national defense and for loss, destruction or compromise of such information.
